PASTOR'S MESSAGE

In those days a decree went out from Caesar Augustus that all the world should be registered–Luke 2:1

Rome, Jerusalem, Nazareth, and Bethlehem – all of these places lead us into the Christmas Story.

This December, you are invited to explore the stories and places that wove together to create the need for a manger to become a cradle for God-With-Us, Jesus.

Our first stop is Rome, center of the world (at least in their own eyes and the eyes of people for thousands of kilometers all around). Here, Caesar Augustus reigned. Hailed as a god. Named son of god. As his empire expanded so did his expenses. He needed money to feed the armies and infrastructure on war: Roman roads, aqueducts, and rule. That meant more taxes.

Not unlike the building of the Vatican's St. Peter Cathedral whose fundraising efforts started the Reformation 1500 years later. This Roman building project prompted Caesar Augustus to decree a census be taken. A census which would re-calculate taxation and income. A census that sent Mary, pregnant with Jesus, and Joseph on a 129-161 km journey from Nazareth to Bethlehem, roughly a ten-day trek. This same census meant that the inns and family homes were overfull and there was no room for Mary to give birth apart from the manger that would become the cradle for Christ.

While the mighty made decrees from Rome, in Jerusalem a priest's prayers were being answered. Zechariah, the priest in question, with his wife Elizabeth, had ached for a child. Had prayed fervently for years for a child. Those prayers turned to whispers of hope as age took hold and having a child with Elizabeth was no longer possible. Yet. With God. All things are possible. Zechariah was speechless for all the months of Elizabeth's unexpected pregnancy until finally John was born. John, the baptizer, who prepared the way in the wilderness for Jesus to begin his own ministry.

Meanwhile, when Elizabeth was well into her pregnancy, in Nazareth an angel spoke to Mary to tell her of her own miraculous pregnancy. Mary, the soon-to-be mother of God. Nazareth had none of the great power of Rome or the religious significance of Jerusalem. Archaeologists estimate that the population of Nazareth ranged from 200-480 people. A village in the hill country in Galilee. Simple, hard, and far from fancy. A young girl, vulnerable and exposed – who can hide a pregnancy in a village of 400? A good man dedicated to doing the right thing, betrothed to Mary, was also visited by an angel who gave God's blessing on Mary, the child, and Joseph.

Unremarkable Nazareth, in this moment, became a village where the cosmos converged and angels visited and the true, one and only, son of GOD was conceived. A stark contrast to Ceasar Augustus called son of god, born to privilege and power, but who now is all but forgotten except for his small part in Jesus' story.

Hundreds of kilometers apart, an emperor's decree, an old prayer answered, and an angel's visit weave into a pregnant journey to Bethlehem that led to the birth of Jesus, saviour of the world.

As you consider the people, the stories, and the places which form and shape the first Christmas – whose story catches you this year? Where do you pause to imagine the sights, sounds, and smells? What might the Holy Spirit be revealing to you through these ancient lives and places? How might this story enrich this Christmas season, enrich you?

As we go on the way to Bethlehem, may you be blessed with fresh insight, renewed joy, and steadfast love!

Blessed Advent & Merry Christmas!

— Pastor Liz Bell

COUNCIL UPDATE

Most of us begin preparations for Christmas long before we begin to see lights twinkling or bells jingling. Preparations for Christmas at Holy Spirit have been well underway by many committees for quite a while! Everything from another hugely successful and beautiful Christmas Market (THANK YOU, Community Engagement and Stewardship!!), to Colombian Christmas, to The Giving Tree, to Traveling Advent, and all the Christmas Services - it takes an army to plan and do all this - and our army of volunteers have been doing so much for us at Holy Spirit and for our community so we can savour the beauty and joy and spirit of Christmas and celebrating the birth of Christ!

Less spiritual and exciting - but still important! - is news about our Constitution. Our proposed changes and questions have received an initial review by the Congregational Constitution Review Committe of the Synod of Alberta and the Territories. They have offered informal approval of many of our changes to the New Model Constitution and we have also provided several recommendations. We will share the proposed Constitution with Holy Spirit members for feedback prior to bringing this to our Annual General Meeting (AGM) in February for the first round of approval.

It is also the time of year when we start thinking forward to the new year ... and even to new members on council. Some of our current members will finish their terms in February. Please let any council member know if you, or someone you know would be interested in joining the Congregational Council!

Merry Christmas and Joy of the season be with you and your families and friends!

COMMUNITY ENGAGEMENT

Our 5th Annual Christmas Market was a huge success. Thank you to all who contributed time, baking, and to those who came out to support our vendors! We raised over $4000 in the raffle, bake sale and vendor table rentals. This money will be put towards our Building Fund.

STEWARDSHIP UPDATE

Thank you to all who were able to support our latest Coffee Fundraiser. We purchased one order of 48 bags of coffee and almost sold them all the first Sunday! We placed a second order of 45 bags which included the Christmas Blend. After the Christmas Market, we have 5 bags left. Just over $1000 will go towards the 'Building Fund' from this fundraiser. And bonus, the office smelled so good while the coffee was being stored.
