PASTOR'S REPORT

Be kind to one another, tenderhearted, forgiving one another, as God in Christ has forgiven you.

– Ephesians 4:32

Sometimes it is not until things are good and we feel safe that we are able to relax enough to cry, experience grief, and start to heal.

Holy Spirit Lutheran Church (HSLC) has come through hard times, and you've done that together bravely, creatively, and with a strong faith and trust in God. You had to make heart-breaking decisions and now you are on solid ground. It feels like we are taking a collective deep breath and are ready for whatever God has in mind for us.

If, in this moment, you find yourself feeling something like grief (which can sometimes feel like all the emotions at once crashing in on you like a wave), that is, believe it or not, normal. HSLC is in a stable and healthy place, and some people will only now be able to process stress. As we enter into the fullness of 2026, please be gentle and patient with yourself and others – be ready to give each other an extra dose of grace!

Today, the ministry of HSLC is a vibrant and lively community hub. If you were to poke your head into one of the seven active committees, you would hear laughter, camaraderie, imagination, planning, and a buzz of activity. Ministry here is growing!

The Sunday School is filled with energetic and curious children and youth, the choir continues to attract new members, and we begin 2026 financially in the black – a sign of fiscal stability and health. On January 25th we welcomed several new members into the ministry we share. Things are good!

2026 looks bright for HSLC. When I consider you, the members and friends of HSLC, I give thanks to God for you, because God has called you to be part of this dream team of talent, kindness, passion, gifts, and resources. Just think of all the good God can do through HSLC!

One of the things I am pausing to pray about for 2026 is how to lead and be your pastor as we continue to live into the shift from being staff-led to being congregation-led. More and more responsibility and authority is being entrusted to committees who take the lead. Committees listen to the Holy Spirit and decide with prayer what to focus on and do, communicate with council and the congregation, and invite others to participate. Staff serves as resource, support, and encouragement. This culture shift has been emerging for years and is still in the process of becoming. Moving more fully into a congregation-led ministry model frees us for a whole new world of possibilities. It also means growing pains as we learn new ways to communicate, make decisions, and get things done in a faithful, wise, and God-pleasing way.

What an adventure! I am glad to be on it with you. I am so grateful for Lori and Darian – our office staff is highly collaborative and has an incredible ability to “get things done!”

I am so thankful that God called Jerome and me here to serve with you, the wonderful people of HSLC!

With gratitude,
— Pastor Liz Bell

MINISTRY COMMITTEE CARING MINISTRY

The Ministry Committee is in the process of developing a caring ministry called "Looking Out for Each Other."

The purpose is to offer support to those members and friends in our congregation who are going through a difficult time, whether that be an illness, grief, or some other stressful concern.

Support could include:

- Adding people to the prayer list (with permission)
- Sending a card
- Arranging for a pastoral call or visit
- Arranging a meal(s) if needed as per availability in the future

If you feel a personal need for support, please call the office and speak to the pastor or staff. They will contact the ministry committee members to assist in providing support if needed.

We will also be leaving out a box marked "Looking Out for Each Other" where you will find a card to complete with your contact information and specific needs. The ministry committee will be checking this regularly. Confidentiality will be maintained.

We want everyone to feel they are cared for when times are difficult and we as a community are there for support.

TRAVELLING LENT

HSLC is once again joining up with several area churches for midweek Travelling Lent services. All are welcome to get together in worship on Wednesday evenings throughout Lent, followed by refreshments provided by the host congregation.

This schedule isn't quite finalized, so keep an eye on the weekly email update or the event calendar on the HSLC website (holyspiritlutheran.ca) for the most up-to-date info.

LIFELONG LEARNING COMMITTEE UPDATE

Sunday School welcomes Pastor Liz on Feb. 8, who will teach the children about baptism.

TREASURER UPDATE

Holy Spirit finished 2025 with a surplus of **\$8,699**, bringing our total accumulated deficit from **-\$5,981** to a surplus of **\$2,718**. Thank you for your financial support this year. Every offering, no matter the amount, helped to disappear our deficit.

Through 2025, apart from a couple of months, our income and expenses were close to equal. [At the beginning of 2024, we were in financial crisis, this was just 2 years ago!] Holy Spirit has come a long way from March of 2024.

On March 1, 2026, our mortgage will be renewed. The amount left owing on the mortgage is \$153,999 and, at time of printing/publication, there is \$28,592 from the Mortgage To Ministry campaign to pay down that amount.

If you would like to sign up for the Pre-Authorized Remittance (PAR) program, set up a credit card donation, or change your monthly remittance, you can do so by contacting Lori in the office or check out our donation options on our website: holyspiritlutheran.ca/donate.

Thank you for your continued stewardship for Holy Spirit.

— Belynda Kelleher, Treasurer
